Critical Arts Vol 3 No 3 1985
CRITICAL ARTS

CRITICAL ARTS is a unique South African journal which takes a radical look at Third World media. It offers a perspective on relations between media and society at large. Both formal and informal channels are its interest.

CRITICAL ARTS challenges the existing social structure. It is a cue for creating alternative dimensions to the stereotyped view of the media dictated by ideology.

The establishment won't acknowledge us. Isn't it time you did?
