ZAMBEZIA
The Journal of the University of Zimbabwe

Volume 12, 1984/5
ZAMBEZIA

The publication of Zambezia, the bi-annual journal of the University of Zimbabwe, has been made possible by the generous support of the Publications Committee of the University. The main focus of the journal, as its name implies, is South Central Africa; but inaugural lectures and articles of a more general interest are also published. Monograph supplements to Zambezia, of which there may be up to eight in a year, cover the main disciplines in the University (Agriculture, Commerce and Law, Education, Engineering, the Humanities, Medicine, Science, Social Studies), and do not necessarily have the same regional focus as Zambezia itself.

ORDERS A complete catalogue of these publications may be obtained without charge on application to the Publications Officer, University of Zimbabwe, P.O. Box MP 45, Mount Pleasant, Harare, Zimbabwe. Standing Orders for the journal and/or supplements, under which an invoice is sent prior to dispatch of the order, are welcomed.

Editor's note: Publication of Zambezia has, for various reasons, become behind schedule during recent years. This issue, covering 1984 and 1985, is intended to bring the journal up to date. Two issues of Volume 13 (1986) will be published by the end of 1986 and regular six-monthly publication of each issue is expected to resume with Volume 14 (1987).
