ZAMBEZIA

The publication of *Zambezia*, the bi-annual journal of the University of Zimbabwe, has been made possible by the generous support of the Publications Committee of the University. The main focus of the journal, as its name implies, is Southern Africa; but inaugural lectures and special articles of a more general interest are also published. Monograph Supplements to *Zambezia* cover the main disciplines of the University (Agriculture, Commerce, Education, Engineering, the Humanities, Law, Medicine, Science, Social Studies, Veterinary Science), and do not necessarily have the same regional focus as *Zambezia* itself.

**ORDERS** A complete catalogue of these and other publications may be obtained free of charge on application to University of Zimbabwe Publications, P.O. Box MP 203, Mount Pleasant, Harare, Zimbabwe. Standing orders for the Journal and/or Supplements, under which an invoice is sent prior to dispatch of the order, are welcomed.
