BOOK REVIEWS ................................................................. 195
ZAMBEZIA

The publication of Zambezia, the bi-annual journal of the University of Zimbabwe, has been made possible by the generous support of the Publications Committee of the University. The main focus of the journal is Zimbabwe and the surrounding region but special articles of a more general interest are also published. Monograph Supplements to Zambezia cover the main disciplines of the University, and do not necessarily have the same regional focus as Zambezia itself.

ORDERS
Standing orders for Zambezia are welcomed; please apply to
