Volume 7, No. II, 1979
ZAMBEZIA

The Journal
of
the University of Rhodesia

Volume 7, No. ii, 1979

Edited by
R. S. ROBERTS

UNIVERSITY OF RHODESIA, SALISBURY
Zambezia is the bi-annual journal of the University of Rhodesia and its publication has been made possible by the generous support of the Publications Committee of the University. The main focus of the journal, as its name implies, is South Central Africa; but inaugural lectures and articles of a more general interest will also be published. A series of monograph supplements to Zambezia is also provided to cover the main disciplines in the University (Education, Engineering, Humanities, Medicine, Science and Social Studies); and this series will not necessarily have the same regional focus as Zambezia itself. Ten such supplements have appeared so far; those for 1979 are on Asians in Uganda, the Production and Marketing of Fresh Produce by Africans, and an Education Supplement.

ORDERS

The Journal can be obtained by prepayment to the Publications Department of the University of Rhodesia, P.O. Box MP45, Mount Pleasant, Salisbury, Zimbabwe Rhodesia:

Prices: Current per issue ZR$2,50 in Zimbabwe Rhodesia; US$6,50 outside.

The best way to ensure copies of Zambezia is to place a Standing Order under which the invoice is sent prior to dispatch of the journal (back issues are also available at a cost of ZR$3,50 in Zimbabwe Rhodesia and US$8,50 outside).

NOTE: Having gone to press over a period of change, this issue shows considerable variation in references to the name of the country, in currency and institutions.
## CONTENTS

Nature and Nurture in Animal Production:
