- the Thesaurus of Sociological Indexing Terms

Profit from our expertise . . .

Keeping pace with the quality and complexity of today's research can be both challenging and time consuming. To get the most value for your time, consult the *sa* family of databases for coverage of more than 1,900 core and discipline-related journals, hundreds of books, dissertations, book and other media reviews, and conference papers published worldwide in theoretical and applied sociology and linguistics. Our subject specialists track current developments in substantive areas such as political sociology, demography, law, gender and race, environmental and energy policy, disaster studies, social problems, psycholinguistics, artificial intelligence, and literacy.

Budget your resources wisely . . .

*sa*'s databases are available in formats suitable to every setting.
- online from BRS, DIALOG, Data-Star, and EPIC
- on CD-ROM from both SilverPlatter (*sociofile*) and Compact Cambridge (Compact Sociodisc)
- in print

Your return on investment . . .

- high-quality abstracts
- precise indexing
- comprehensive backfiles
- depth and breath of coverage

You can count on us!

Notes for Contributors

All correspondence should be addressed to:

The Editor
Journal of Social Development in Africa
School of Social Work
P Bag 66022
Kopje, Harare
Zimbabwe.

Manuscripts

Contributions that further the aims of the journal are welcomed, and will be refereed. Manuscripts should be typed single-sided on A4 paper, double-spaced, with large margins all round. Two copies of the article should be submitted and the author’s name, affiliation and address should be attached to the cover, to facilitate anonymity in the refereeing of the article. The article should begin with a summary of less than 100 words of the contents and conclusion of the article. In general the use of footnotes is discouraged. Essential footnotes should be kept to a minimum and typed consecutively at the end of the article. Within the body of the text references to authors is made by author, date and page number in the following way:

“We find that Makola (1982a:67) argues the view taken by Nkosana (1981). Another study (Makola, 1982b), however...”

Bibliographical references follow the body of the text and should be double spaced, listed alphabetically and chronologically by author and date: in the case of books, by title, publisher and place of publication; in the case of articles by full journal name, volume, and first plus last page numbers; in the case of chapters, by title, collection title, editor, publisher and place of publication. Examples follow:

References

Authors receive ten free off-prints, and the appropriate issue of the Journal.

Submission of an article implies that it has not been published already nor is it being considered for publication elsewhere. Copyright of all the contents of the Journal is assigned to the School of Social Work, Harare. Permission to reprint original articles should be sought from the Editor of the Journal at the above address.

This Journal is being assisted financially by the Konrad Adenauer Foundation, Germany.
